Flip Flop: Orange juice, Pineapple juice & Grapefruit juice (equal measures)

Mix: Tall glass with 2 ice cubes, pour in equal measures of all juices.

NOTE: It is very important that you measure the alcohol carefully, use a measuring jug / spoon, standard size shot glass or the bottle cap.

We have tried to design the menu so that with the minimum amount of ingredients you can make delicious cocktails to raise money at your MyShoes Shoe Party.

If you want to jazz up the Non-alcoholic mixes, sliced strawberries (or other fruit) are always a popular addition.

For example: To make the Pink Stiletto & Kinky Boot cocktails you only need Vodka, Cranberry Juice, Lemonade & Sparkling water (fresh Mint and Lime optional)

We recommend that you do not offer more than 4 cocktails at your party: 2 Alcoholic and 2 Non-Alcoholic mixes.

***Encourage your guests to alternate alcoholic and non alcoholic drinks.
Drink in moderation!***
